

# Membership Application

Sports Chiropractors of New York (SCNY) is a non-profit organization dedicated to improving the athletic health of the people of New York State through improving the practices of our member doctors and increasing the public's awareness of the benefits of sports chiropractic. We do this through athletic event coverage, continuing education seminars for SCNY doctors and by keeping our membership updated on the latest sports injury, health and fitness research and techniques.

All members and their practice information are listed on the website, [sportschiropractorsny.org](http://sportschiropractorsny.org). Only members are allowed to participate in SCNY sponsored events and athletic event coverage for which SCNY is the provider.

In order to cover costs of promotional materials, shirts, supplies, meetings and mailings/postage, etc., membership dues are required. The annual dues are \$50.00. Students and first-year doctors are free.
